

# FORWARD THINKING

SIGHTS SET  
ON INNOVATION

The complex block contains several diagrams: a large cross-section of a shoe insole with a red border and a textured grey interior; a smaller diagram of a foot with a red dashed line across the arch; a side-view anatomical drawing of a foot and ankle with a red line under the arch; and a list of bullet points.

### UNDERSTANDING MOVEMENT TO PERFECTION

*Strain relief*

*Hallux rigidus spring  
Carbon*

- Extremely light + thin
- Solid + stiff
